## BEST TWO OUT OF THREE. AND GEORGIA WON THE THIRD.

On account of bad weather on the 14 we were compelled to play two games with Tuscaloosa on the 15th. The forenoon game was quite interesting, as both teams were in fine condition and played fast ball. This is the way in went:

## First Annual Field Day of the Southern Inter-Collegiate Association at Nashville.

While our baseball team was taking two games from Tuscaloosa our track athletes were winning for us laurels in Nashville.

The American says of the game: "The assemblage was perhaps the most striking ever seen on the Vanderbilt campus and presented a picture that will long dwell in the memory of those present. The audience sat or stood in a vast semi-circle around the north and west sides of the field and the bright spring costumes of the ladies nearly all of whom wore the colors of their favorite in profession together with their bright, animated faces made a scene that was perfection. Society was there in all its force, glory and splendor and the presence of the belles of a city noted for its beautiful and fascinating women spurred the athletes on to their very best even though the heavens should fall!!

Trial heats were held in the morning. Stokes in trying for the 220 yards heat had the misfortune to stumble on the 180 yard line when he was 5 yards in the lead of the nearest man and was clearly an easy winner however he was barred from the final contest on account of the accident.

Stokes won the 440 yard event in 55 1-4, Allbong, Booger, of Vanderbilt by slicing the oval a few times finished a little ahead of him.

"Booger should have kept off the grass."

The one mile run was a peach for Harvey, F. who could have finished in the 100 yard dash fashion but there was no opposition. Time 4.48. This was the feature of the day. The American says of the event: "Harvey of Auburn ran a great race in the one mile dash. He came from behind on the stretch and won easily."

The half mile run was easy, dead easy for VanNess who won in 2:05 without much exertion. Scott, Central University second in 2:10.

With the exception of Auburn's two southern record breakers, the half mile and mile the records were only up to the average and in some instances way off.

The following is the number of competitors from the several institu-

tions:  
Auburn—4.  
Central University—7.  
Cumberland—1.  
Southwestern Presbyterian—4.  
University of Nashville—4.  
Sewanee—14.  
Vanderbilt—16.  
Vanderbilt won four first.  
Sewanee won three firsts.  
Auburn entered three events and won three firsts.  
The points made by the different colleges were as follows:

Vanderbilt—41.  
Sewanee—27.  
Auburn—15.  
Southwestern Presbyterian—6.  
Cumberland University—5.  
University of Nashville—0.

The meeting was a success in every way with the exception that the system of trial heats was disastrous to record breakers.

## SOPHOMORE ORATORICAL CONTEST.

## CADET MIMMINGER, OF SOUTH CAROLINA, WINS THE MEDAL.

On Friday evening May 1st, the annual contest between sophomore speakers took place in Langdon Hall. Splendid music was furnished, and the speakers acquitted themselves creditably and with much honor to themselves. Each speaker showed careful preparation and the Sophomore class should be proud of its representatives.

The speakers were as follows:  
W. M. Beeson, Anglo Saxon Supremacy; G. O. Dickey, The Confederate Dead; F. W. Hare, Heroes die but Heroism is Immortal; J. W. King The Stars and Stripes; H. S. Houghton, Crime is its own detective; G. E. Mason, Retributive justice; W. A. Mitchell, Our duty to the South; F. G. Morris, Massachusetts and South Carolina; A. C. Vandiver, Ingalls on Ben Hill; H. E. Memminger, Cardinal Walsey; B. B. Warwick, The color bearer.

Mr. Beeson was absent on account of sickness. The committee, consisting of Rev. J. J. Cloud and Profs. F. S. Earl and G. W. Duncan, awarded the medal to Mr. Memminger, who rendered his selection in an almost perfect manner.

ADVERTISING RATES UP ON APPLICATION

All contributions for THE ORANGE AND BLUE should be sent to the Editor-in-Chief at least one week before the date of issue if designed for publication in that number.

All business should be addressed to the Business Manager.

The college year is fast drawing to a close yet, in spite of the fact, we have the names of a number of men who have failed to pay up their subscriptions. We can't have the press work done for charity, so please see the business manager and pay up.

The next issue of the Orange & Blue will be a double number containing several interesting articles and illustrations as well as all the commencement news.

Contributions for this double number are especially solicited and should be handed in within the next two weeks.

Every man in college should contribute to the success of this number.

Much praise is due our track athletes, cadets; Van Ness, Harvey F., and Stokes for the fine showing they made in the recent Athletic meeting at Nashville. Auburn entered three men and came off with three first prizes, two of which, were record-breakers. Vanderbilt, with her sixteen men, won only four first prizes, and Sewanee, with fourteen chances, only succeeded in tying our record for firsts.

It is too bad that we did not send more of our college record breakers as we would have doubtless led old Nandy a merry chase, as our college records compare very favorably with those made on the Vanderbilt campus. The initial Intercollegiate meeting was a flattering social as well as athletic success and will insure a large attendance next spring.

Notwithstanding the fact that our baseball team has been playing in hard luck all the season, every man on the team has now the praise of his fellow students.

Two out of three games is enough to satisfy any ball crank and the outcome of the Georgia game is largely attributable to our bad condition as the rank decisions of the officials.

We are glad to have had the pleasure of meeting Tuscaloosa on our own campus as they are good, clean ball players and capital fellows as well as perfect gentlemen. Here's to the ball team of '96.

Final examinations will be on Saturday and after the severe mental strain will come the unalloyed pleasures of commencement season, and then—Alas! '96 will leave these dear old walls and begin life in earnest. How sad to break the strong attachments that have clung to us through college! But we can cherish the hope that '96, will again be united next Alumni day.

The gold medal for the best all round athlete was awarded to J. F. Jenkins of Wilcox county.

The second game of baseball between the University of Alabama and the Agricultural and Mechanical college of Mississippi this afternoon resulted in another victory for the Alabama boys on a score of 11 to 2. There was some good individual playing by the Mississippi boys, but in team work they were clearly outclassed by the Alabamians.

Examinations.  
Two out of three!

Our boys fell in love with the Tuscaloosa team; especially Mr. Eli Abbott who came over with them.

The Sophomore reception as usual, was a great success.

Handsome invitations are out announcing the Alpha Tau Omega lawn party to be given at the residence of Mrs. B. D. Lazarus, Thursday evening May 21st.

Our ball players were in bad condition when they met Georgia as a result of playing two games the day before, but it was another case of "gate money" and we had to let it go at that.

The senior chemical course headed by Dr. Underwood, had a picnic and fungi hunt at Vaughn's mill several days since. It is needless to say they had a time.

The Field Day judges awarded P. Vines a gold medal for breaking the college record in the running high jump contest.

Several delightfully impromptue dances were given in Thomas' new hall in honor of visiting young ladies.

Our three track athletes, Stokes, Van Ness and Harvey, F., returned from Nashville Sunday. They are winners. Clark P. G., will not return until Sept.

"Tut" Paden has resigned college and will probably go into the hardware business. We shall miss "Tut" and hope to have him with us next session.

Members of the senior class are having their faces touched up for their class picture.

Prof. McKissick captured Selma with his X ray lecture, Harry Orr accompanied him.

Cadets Nelson, Tichenor, Paden and Orr, attended a german given in Selma by the charming Miss Nelson's.

Professor Kurt Mueller and Mrs. Clara Mueller of the Ala. Conference Female College, gave a delightful rendition of classick music to a large audience in Langdon hall, Friday evening, May 15th.

The following is an overheard discussion between two girls a few days ago, on the various congregations of the verb love. Miss A. "Well how does Harvey's Grammar put it?" Miss B.—First person, I love (you)  
Second person, you love (me)  
Third person, He is not in it.  
Miss A.—Smith's don't go that way.  
Miss B.—How goes it?  
Sing.—First person, I love(—)  
Second " Thou lovedst (me)

Third " She loves (me)  
Plur.—First person, We love (me)  
Second " You love (me)  
Third " They love (me)

Base ball!

Best two out os three!

And—the cow bells played on.

It was free and unlimited at 16 to 1.

Passes will soon be in demand—Exams. begin Saturday.

The Sophomore lawn party was, as usual, a social event.

Prof. McKissick captured Selma with his X ray lecture, Hany Orr assisted.

Several delightfully enformal dances were recently given in honor of our charming visitors the Miss Nelson's and Miss Johnston of Selma and two of Georgias fairest daughters, Miss Roper and Miss Grodon. "The Heavenly Twins," of Atlanta.

Members of the senior class have been having their faces caught for the class picture—it will be a beaut.

The new catalogue, '96-'97, is out and is quite an improvement over last year's edition in the way of illustrations, etc., a list of the alumni is a leading feature.

We regrt to note that "Tut" Paden has resigned college to enter business, we shall miss "Tut."

Invitations, uniform with last year's are out announcing the Commencement Hop.

Tuscaloosa's ball twirlers were given an informal stag reception.

Dr. Underwood made a short visit to Tuscaloosa last week.

Memorial day was appropriately observed, W. R. Tichenor did the honors of senior class orator.

Notwithstanding the fact that Ga., out did us in diamond sprinting, our boys returned elated over the good time they had in Atlanta. The reception given by Miss Carrie Johnson to the team was the feature of the trip.

We will probably play a series of games with Tuscaloosa on their campus.

Song—(Any old tune.)  
Auburn went to Atlanta town,  
(Chorus) While the cowbells played on,  
Georgia got 16 runs to Auburn's 1,  
And (Chorus.) (Repeat.)  
Professor and Mrs. Mueller, the music faculty of the Alabama Conference Female college, gave a concert in Langdon hall Friday night to a large audience. The music was pronounced very fine and was a very pleasing treat to the audience.

The athletic spirit is running very high among the boys as a result of

the two games of ball ouer Tuscaloosa Friday and the winniug on the same day in the inter-collegiate contest or field day at Nashville of the one-quarter of a mile by Stokes, the half mile by Vann Ness and the one mile by Harvey.

Tuscaloosa played a good game of ball, but Auburn played a better game. W. R. Shafer was umpire and distinguished himself for his high-toned fairness throughout the game.

Professor Wilmore recently gave a very interesting public lecture in the college chapel.

Write something for the Commencement Orange & Blue.

Dr. Dudley of Vanderbilt, Prest. of S. I. C. A. A., writes our Dr. Ross: "Dear Dr. Ross:—I want to congratulate you on your athletic team. They are a fine lot of fellows and did some excellent work. They produced a fine impression on everyone."

**A CARD.**

The managers of the track team wishes to express his sincere thanks to the following gentlemen for their kindness in advancing funds for making the Nashville trip, without their assistance the trip would not have been possible.

Dr. Underwood, Prof. B. B. Ross, Dr. C. H. Ross, Cadets J. C. Yonge, B. L. Scott, Scarbrough, Wright, Greil, Ayers, Houghton and Bross.

## FIELD DAY.

### SOME RECORDS SMASHED.

Preceding years, though brilliant in the extreme, have been but preparatory for the magnificent crowd that created our field athletics on May 1st. Montgomery, Selma and Tuskegee contributed their quota of beautiful women to grace the occasion, while Atlanta and Columbus, Ga., were no mean seconds in the race. In all events, the champions were spurred on by the joyous acclamations of the reigning bells, while the corded muscles and swelling veins of the contestants showed that such praise from such source did not fall on unappreciate and barren grounds.

Our field day's success was based on the two fold reason that it was distinctly social, as well as athletic event.

Long before the events were to begin, although the excessive heat of a glaring campus was discomforting in the extreme, the outside of the ropes had been pretty well filled by the expectant spectators.

The events began with the hundred yards dash which was won by Clark P. G., in 10 1-5 sec. smashing the former of 10 3-5 sec.

The base ball throwing was again won by Carter, who did not come up to his former record of 326 ft. only putting the leather 298 ft. 6 in.

Another record was now smashed by Kelley G. B., in the hand vault, Kelley clearing the bar at 7 ft. 3 1-2 inches.

The hammer throw was won by Harvey F., at 80 ft. 9 in. with 16 lb. hammer.

While the high kick record was being broken by Wrigley at 8 ft. the crowd was also being entertained by a farcical sack race, won by B. Cobb.

The running high jump was in order, and was perhaps the most hotly contested one of the afternoon. but Vines finally broke this record at 5 ft 3 in.

The 75 yds. three legged race was won by B. Cobb, Dixon in 11 1-5 sec.

The next was the standing broad jump and this did not come up to the expectation of the corps as Kelley G., won after contest, clearing only 9 ft. 9 in. The conceded feature of the afternoon was the Gymnasium exhibit in which Cadet Instructor B. L. Scott well sustained his reputation in

the poll, bar and tumbling heats.

It was now preeminently the "kids" time and the screams of delight elicited from the crowds of the young Americans at the numberless gyrations of the men in green, blue and black tights were reciferously seconded by even older ones.

The exhibition was a complete success and shows how quickly the influence of our new gymnasium has been felt.

The prettiest surely athletic event is the pole vault. This was next on the card, and after a short spirited contest the event was won by Mr. G. B. Kelley at the low record of 8 ft. 3 in.

The crowd was now disappointed on the 440 yards dash when the crier announced Stokes winner in one minute, but the fact that it was a sandy track and so arranged that the winners came up hill twice, easily accounts for slow time.

Kelley and Nelson created a sensation in tying on the standing high jump at the low measurement of 4 ft.

Glenn won putting 16 lb. shot in 32 ft. 1-2 in.

The rest of the program was now postponed until Saturday evening, on account of the approaching storm.

The all-round athletic medal was awarded to G. B. Kelley.

The new Columbian grounds were dedicated last Saturday.

A great event took place at Bornell on Tuesday last. It was a baseball game between members of the faculty and the senior class.

Seven colleges have conferred the degree of L. L. D. on Gen. F. A. Walker, president of the Massachusetts Institute of Technology.

The third annual championship games between the athletic teams of Cornell and Univ. of Pa. were held at Ithaca, N. Y. May 9th. Pennsylvania made 74 points and Cornell 53.

The debate between Columbia and the University of Chicago has been given up.

Brown College, of Providence, has won eight straight victories. She has the champion college team of the country. She has defeated Yale, Pennsylvania, Wesleyan, Dartmouth and Harzard.

The record for fastest base running is held by Harry Berthrong, of the old National Club of Washington, and was made in 1856. He ran from home plate to home—360 feet—in 14 1-4 seconds, and won a wine

Several students of the University of Chicago have been suspended for "cutting gym." it appears, unfortunately, that many of them are students who spend all available time in working to support themselves.

The trustees of Cornell University have decided to establish a college of architecture, offering the degree of bachelor of architecture at the end of a four-year course, a degree hitherto not conferred in America.

Eight thousand women in this country have graduated from reputable colleges and universities, co-educational or otherwise.

The highest salary of any college professor is \$20,000, paid to Prof. Sumer, of Edinburg University.

The lowest price for a room at Harvard for one year is \$25, general average \$116, and most expensive \$350.

An attempt is being made by members of the athletic clubs in England to get up a series of truly international games in which all the clubs of the United Kingdom are to be asked to form a team of champions to compete against a team from all America, which the N. Y. A. C. will be asked to organize.

The University of Pennsylvania and Cornell have agreed to meet in football of Thanksgiving Day of '96 and '97 at Philadelphia.

A petition is being circulated among the students for the purpose of abolishing carriage expenses during commencement. It is a great idea and is receiving hearty endorsements on all sides.—Red & Black.
